

MELISSA

635-095

Hair dryer + straightener duo-pack

Hairdryer:

- 2 speed and 3 heat settings
- Cool shot button
- With ionization: - prevents static electricity - makes your hair shiny and pliant - makes your hair dry faster
- Detachable air concentrator
- Detachable diffuser
- Hanging loop
- Overheat protection
- Removable rear filter, for easier cleaning

Straightener:

- Solid ceramic plates provide a better distribution of heat, creating a smoother, flawless finish to the hair and longer lasting results
- The plates lock in the hair's natural oils which retains colour for longer and reduces the build-up of static electricity
- PTC heater for fast heat up, hanging loop and on/off indicator light
- 8 step temperature control: 130-200° degrees Celcius and wet2dry function - can straighten both dry and wet hair. The excess water can evaporate through holes in the upper plate
- Temperature indicator light will turn off automatically when intended temperature has been reached and anti-skid surface on the upper side
